ADULT SCIENCE-FICTION ADVENTURE

Sebastian Howarth

Debut novel | Space opera | 440 pages

THE PITCH

A self-proclaimed honest pirate and his mismatched crew are drawn into a galaxy-spanning mystery surrounding the authority that controls the food supply across every settled world.

POSITIONING

Character-led space opera with action, dark humour, found-family dynamics and a high-concept threat built around food, power and institutional control.

IDEAL READERS

Readers of adventurous, idea-driven science fiction and morally flexible crews.

"THE MOST EXCITING SCI-FI READ OF THE YEAR."
